

Greetings from Boat Angel! We would like to thank you for your donation. Enclosed you will find a questionnaire, our official IRS confirmation letter and a disposable camera. After you send back the requested items your donation will be sold on our charity auction website and then picked up promptly. In order to begin this process we will need your assistance. Everything we request from you is detailed below.

PHOTOS

This package contains a disposable camera. In order for Boat Angel to sell your vessel a recent and adequate set of photos is needed. The following are notes on what to do with your disposable camera. If you are unable to obtain photographs please contact us and we may be able to help.

- ◆ We need a full evaluation of your vessel with photographs – INTERIOR AND EXTERIOR
- ◆ If you have a sailboat or large vessel with a cabin, we must have clear well lit interior shots
- ◆ PLEASE USE THE FLASH IN DARK PLACES – PLEASE DO NOT PHOTOGRAPH AT NIGHT TIME
- ◆ If something on your boat is broken, we need a photograph of it
- ◆ Engine photographs, if there is no engine please take a picture of where the engine should be
- ◆ A shot of the entire boat from the port or starboard side
- ◆ Photos of any extra items included with the boat (sails, rigging, depth finder, engine parts, life jackets, etc.)
- ◆ If your vessel is covered we need photos with the COVER OFF
- ◆ Don't take the same photograph twice, there are 27 exposures on the camera – DO NOT DEVELOP
- ◆ Please make sure to keep your fingers away from the lens

If you would like to expedite the process please email a MINIMUM of 15 photographs to PHOTOS@BOATANGEL.ORG and fill out a online submission for at www.boatangel.org/submission

*Boat Angel reserves the right to reproduce, edit, and publish the photographs in order to process the donation

OWNERSHIP DOCUMENTS

We need an original or photocopy of the original title and/or registration for your boat, trailer and outboard engine (if applicable). **Please contact us prior to returning package if you have no ownership documents, as laws/regulations vary state to state.**

QUESTIONNAIRE

Please take a few extra minutes to fill this out **COMPLETELY** and **ACCURATELY** also include any extra comments on the note page. We do not expect you to know the answers to all questions. Please be as accurate as possible on the questionnaire. We must have the most recent and accurate description of the vessel. The more detailed this questionnaire is completed the better we can represent the item when we list it on our charity auction website.

Thank you for your time! Please call us toll free at **1-800-227-2643** if you have any questions. You will receive an 1098-c tax receipt immediately via email and mail when we finalize the donation process.

Frequently Asked Questions

Q: When will I be contacted concerning vessel removal?

A: From the day we receive your donation package in our office it is generally 2 weeks until you will be contacted, we will leave a message if we do not speak to you directly. You will release all ownership information to the individual picking up the vessel.

Q: I need my boat picked up immediately, what do I do?

A: You need to contact us immediately so we can start making arrangements to get your boat moved. We can move some boats faster if absolutely necessary.

Q: Will I receive fair market value (FMV) for my donation?

A: You may receive full fair market value for your donation if the charity makes a material improvement to the donated item. Please check the fair market value consideration box on the front of the submission form. Material improvement is purchased by the charity. All improvements are in the areas of entertainment, communication and safety devices.

Q: What do I do about my slip/marina fees?

A: We ask that all donors bring all fees current to your time you return the package. If fees are incurred while the title and boat are in our possession we will take care of the fees. We will not pay back fees.

Q: Am I required to send in my Title with the donation package?

A: Yes, at least a photocopy, however it is much easier for us to move the vessel and deal with marinas if we retain original title.

Q: What if I do not have a Title/Registration for this donation?

A: If you do not have a title/registration then please call our office.

Q: The title is not in my name, will I still get a tax donation value?

A: We can only provide a tax donation value to the person listed as the owner of the vessel on the title. Please call us if you have any title/registration questions.

Q: When will I receive my tax receipt?

A: The receipt will be emailed/mailed immediately upon finalizing the the donation process.

Q: What do you want me to do with the camera?

A: Please take as many pictures as you feel necessary, minimum of 15. Please see the front page of this packet for more details.

Q: Why do I have to sign the Boat Donation Submission Form?

A: This certifies that you are donating and gives our charity Power of Attorney so that we can transfer the vessel more easily.

Q: What if my boat doesn't sell in your charity auction?

A: We have sold many boats and have a very large audience watching and bidding in our auctions. Approximately 95% of all boats sell within 7 days. Please contact us if you need prompt quicker service. We can not guarantee the removal of boats with no value.

Q: What if my boat has sunk?

A: If your vessel has sank or taken on large amounts of water you need to contact us prior to sending back the donation.

Q: What if I can not provide pictures, due to the boat being too far away?

A: We must have photographs of all donated items, if you can not provide them we need you to contact us immediately so we can arrange to get photographs. We utilize a nationwide network of photographers to obtain the photographs.
