

# Membership

Many members found the club through friends who were already members. Some discovered Windycrest by visiting for a regatta or on our web site. Some members are long time sailors who are new to the area. Regardless of how you found us, membership is a fairly straightforward process.

A membership application and fee schedule can be found in PDF form on the Windycrest website. After deciding to apply, you will be invited to a Board of Governors meeting (the first Monday of each month). We like to meet all prospective members, and get their view on sailing and how they can be an active, interested member. Sailing experience is not required.

Membership is limited to boats less than 29 feet in length and weighing less than 6,000 pounds. Windycrest is a "do it yourself" Club, regular dues are reduced by 50% when you earn work party credit by attending the annual All Club Work Party.

**Regular memberships** include both keelboat and centerboard boats. A completed application with proper dues payment must be submitted before approval for membership will be granted. We usually have a waiting list for water space. We do require membership before being put on the water space waiting list. We have membership options for keelboat owners while they wait for dock space. Contact the Vice Commodore to discuss options that will work for you.

**Associate Members** use the Club but do not own boats. Most associate members are in the training programs or crew on regular members boats. We also have Racing, Special, and Sustaining memberships.

Contact the Vice-Commodore for more information about various levels of memberships, slip and mooring availability, fees, or any other questions you may have about the Club.

# The Club

Thank you for your interest in Windycrest Sailing Club. Many members feel it is the best club anywhere. It is a terrific mix of keelboats, centerboard boats, racing, cruising, training and social events that offers something for all sailors.

Lots of clubs can tout facilities, size location, price, amenities and so forth. Windycrest can stand with the best of them, but what sets us apart and is our most important asset is the membership itself.

Club members contribute their time and skills to better the Club. All improvements and events are planned and executed by the membership. It is a special relationship between the club, the members, and the individual. This "Windycrest Spirit", - *a helpful, friendly, responsible can do attitude* - that past and current members exude, started in 1965 and has built Windycrest into the special place it is today. We invite you to join and continue building Windycrest.

# Activities

You will find Windycrest a very active sailing club. We stay busy with an extensive schedule of events running from March through November. Below are some of the activities to get involved in.

## Club Centerboard and Keelboat Racing

- Series racing for both one-design and handicap fleets.
- Holiday Long Distance Races
- Oldest Annual Charity Regatta in the US
- Windybowl Regatta for junior sailors
- WindyCup Regatta—Our All Club Championship

## Championship Events

- US Sailing championship ladder events
- National, Regional, and District regattas

## Central States Sailing Association Regattas

- Annual Spring Open Regatta
- CSSA junior and women's regattas

## Training Programs\*

- Learn to sail and race programs for kids 8 to 18
- Adult training programs
- Seminars for racing and cruising
- US Sailing/First Aid/CPR certified instructors

## Sailing Activities

Including sunset sail-a-ways, raft-ups, beach parties, wildlife watching, beach combing, restaurant visits, and overnight excursions.

## Brunches & Theme Parties

Including Memorial Day and Labor Day Brunches, July 4th Corn Roast, October BBQ, Chili Cook-off, Turkey Fry, Pot Luck, and more.

## Fleet Meetings and Activities

- Trade ideas and tips for sailing your class of boat
- Share in fleet projects, race committees, and in the camaraderie of others with like interests.
