## BOARD OF GOVERNOR'S MEETING

### Windycrest Sailing Club Board of Governors Meeting Minutes 03 August 2009 (draft)

The BOG convened at 6:45pm in the Sand Springs Case Community Center on August 3rd, 2009. Governors present were Tina Birch, David Briggs, Jo Ann Chandler, Terry Dannar, Allene Donley, Rex Donley, Steve Elliott, Stephen Gent, Tucky Patz, and Tom Proctor. Members present were Libbye Brooks, Darline Hobock and Jack Stewart. Guests Ginger Bell and her two sons Christian and Chandler, Pam and Bob Wandres, and Amanda and Victor Wandres were also present.

**Welcome:** Jo Ann welcomed all Governors, Members and guests. All guests were applying for memberships and introductions were made:

Amanda and Victor Wandres applied for an Associate Membership. Victor has been crewing for Rod Sherwood on the Viper. He and Amanda do not own a boat, but have sailed on Lake Pontchartrain down in Louisiana and over at Grand Lake on a Catalina 34.

Pam and Bob Wandres applied for a Regular Membership. Bob said that Pam was the sailor in the family, having taught girls at a camp how to sail, en francaise. It has been awhile since they've sailed, but have a renewed interest in it now and are both excited to bet back on the water.

Ginger Bell applied for an Associate Membership with perhaps a quick upgrade to Regular, pending a successful purchase of a Capri 14. Christian and Chandler both attended the Windjammer Camp, enjoying their

experiences. Ginger likes the idea that sailing is a sport that one can enjoy throughout one's life; that it is an excellent outdoor family activity.

All prospective members were approved by the Board. Welcome to Windycrest!

While we elate in the welcoming of new members, we also grieve the passing of current members. It is with great sorrow that the Board of Governors shares their deep sympathy to the family of one of Windycrest's most vibrant members, Laura Barnes. Laura passed away July 30th due to post-surgery complications; however, her engaging smile, her cheery words and her exuberance for sailing fun live forever on in our Windycrest hearts.

**Secretary's Report:** Tina asked if there were any corrections to the July minutes that were included in the July Windword. A syntax correction to the motion under the Treasurers' Report was noted. A motion to accept the minutes as corrected was made, seconded and approved.

**Windword Editor:** Rex & Allene had nothing new to share other than they will be sending Skeeter an additional copy of the newsletter for archival purposes. Jo Ann stated she, too, would like an extra copy for the same purpose.

**Facilities Manager's Report:** Jack said a fellow will be out in the morning with a crane to step the flagpole. The boat will go to the Yamaha dealer the end of this week. The tracker has a new clutch and the hydraulic leak is fixed.

The repair on D dock is totally complete. Jack is still waiting for an esti-

ance. Tom said we're in good shape, but not great shape; the main expense for the year was the breakwater repair. The reserve fund is working as it should, to take care of unforeseen items as they come due, and should begin to build again next year. Jo Ann asked about the outstanding dues and fees and Tom said that most have taken care of their past dues and fees, but for those that have not, the lien process is proceeding. A motion was made, seconded and approved to accept the financials as stated.

**Activities Captain's Report:** Tucky said Libbye spoke with her about new plans to make the Annual Meeting and Oktoberfest the event of the year. Libbye, Ken, Rex and Allene have been talking and working together to add some zip to Oktoberfest. They spoke to Richard Bunn & IV McNamara and the Santana Fleet will be happily passing the event to the Cruisers Fleet. This being the Annual Meeting, all agree that it should be the best attended of all social events at the Club and plans for outdoor cooking, music and antics are in the making. Libbye's proposed ideas were supported unanimously by the BOG.

**Fleet Captain's Report:** Stephen said due to lack of interest, the rest of the night races are cancelled and this coming Wednesday is the last Wednesday series race. Darline asked about the turn out this year and Stephen said it was mediocre, but he has lots of feedback and will pass it along to the next Fleet Captain. Stephen will look into another Beach Party or other social, perhaps a Moonlight Madness of sorts.

**Webmaster's Report:** Jo Ann shared an email received that advertised a packaged turnkey website and asked if this were something the Board might want to look into.

The Governors voiced their wish against it and stated they wanted to keep our site in-house because it currently is updated when needed and the Webmaster knows the ins and outs of sailing.

**Rear Commodore's Report:** David is formalizing the Windybowl & Breezybowl Regattas and is concerned about the date. After discussion, the agreed date for these Regattas is now the 22nd of August. Terry offered his help to David for the NOR. David will have Danny put it on the website.

**Vice Commodore's Report:** Steve had nothing new to report.

**Past Commodore's Report:** Terry had nothing more to share.

**Commodore's Report:** Jo Ann had nothing else to say other than to thank the BOG for a good job this year. Darline asked about the new slate of Governors; Allene said they will publish it in the September Windword; voting will take place at the Annual Meeting in October.

**Old Business:** none

**New business:** Tom wants to put together a committee address members on what to do with the club; to get some information on membership dynamics and what kind of race schedule is wanted. Stephen suggested attaching a questionnaire to the Annual Meeting ballot. David suggested it also be a downloadable file on the website. Allene said it could be advertised with the Oktoberfest activities. Stephen mentioned that he was going to do a survey for just the racing people and offered to be in charge of this survey. Rex brought up the lack of strong fleets, stressing that they are the where the social events evolve and what make the club fun. Jo Ann said it takes dynamic leadership to keep them going and that members who have always been orchestrating events and activities have just worn out. Jack had an idea that instead of assigning just one fleet to an event, that perhaps we have every fleet be in charge of one portion of each event. He suggests that including each fleet at each event, it will increase participation and foster inclusion and comradery for the newer members. Jo Ann said that Ninnescah had the different docks responsible for everything. She also said they had a progressive dinner where each dock was responsible for a portion/course of the dinner. Allene said a progressive dinner would be great fun and will put it on the calendar for next year.

The next Board of Governors meeting will be held September 14th (note that this is the second Monday in the month rather than the usual first Monday) at 6:30pm in the Case Community Center, 1050 W Wekiwa Road, Sand Springs.

Meeting adjourned at 8:13 pm.

Respectfully Submitted,

Christina L Birch, Secretary, Windycrest Sailing Club

**COMMODORE'S REPORT**

This August has been a particularly sad one for Windycrest Sailing Club. The death of Laura Barnes leaves a very large empty space in our hearts. Laura and I were teachers, sailors and friends and I will miss her.

Summer is winding down with school starting next week for most of our juniors. This does not mean that junior sailing is over. The Windy and Breezy Bowl will be held August 22 to determine the Windjammer Awards and Trophies. Club racing, on Sunday afternoon, continues until the middle of November. I would like to see all of the Opt, Sunfish and Laser sailors from our camps competing in the Fall Series.

Two juniors traveled to Wichita to compete in the CSSA Junior Championship. Daniel Weatherholt won 1st place in the Laser Full Rig category and Ian Jones won 1st place in the Laser Radial Rig category. Congratulations Daniel and Ian.

SEE YOU AT THE LAKE

Jo Ann Chandler

Commodore

**Rear Commodore's Report**

The Windy Bowl and Breezy Bowl Regatta's are scheduled for August 22, 2009.

The NOR is in this month's Windword and posted on [www.windycrest.com](http://www.windycrest.com).

These races are designed to promote sailing among our juniors. These two regattas are open to all Windycrest members who do not turn 19 years of age during calendar year 2009. Sailors between 8 years and 15 years in age will participate in the Breezy Bowl. Sailors 15 years to 18 years in age will participate in Windy Bowl. Send me an email at [david.briggs@cox.net](mailto:david.briggs@cox.net) if you want to register. Registration will also be held at the lake from 9:30 to 10:00 with the skippers meeting to follow at 10:30. The first race starts at 11:25.

Remember that next year's training registration process will change to accommodate a better way of starting the training season. The new process is posted in this month's Windword.

Thanks again to all who helped make this year's training classes a tremendous success.

See you at the lake.

David.

***Have You Thanked Your Race Committee Lately?***

Think of the hours your race committee spends on doing their job. While we are all having fun racing, give the race committee a wave and a "thanks" as you go over the finish line. It would be a nice gesture of appreciation for all they do.

## CATALINA 25/27 JULY FLEET MEETING

On July 17, 2009 about 35 members of the Catalina 25/27 Fleet plus the Keelboat Cruising Fleet met in Drumright at the home of Jerry and Debbie Brichacek. Everyone brought a dish to share and Ken Brooks provided smoked brisket for the group. The food was great and the Fleets got a chance to visit and hold a short business meeting.

The main attraction for the meeting was the Brichacek's 44 foot Hylas Sailboat. The boat went through the hurricane in Houston last summer and in October last year was trucked up from the Houston area to the Brichacek's ranch to begin repairs. For the past nine months Jerry and Debbie and others have worked on the boat to get it ready to go back in the water so they can enjoy some cruising time. Fleet members saw a show room quality boat in their shop. They got to climb aboard and quiz Jerry about all the work that had been done on the boat.

The evening was great on that night as we got a relief from the very hot weather and enjoyed eating outside. The Fleets discussed the up and coming MS events and voted to assist in this year's Oktoberfest/Annual Meeting event. It was a fun evening enjoyed by all. A big thanks to the Brichaceks for hosting and sharing their sailboat project with the group.

Since the meeting, Jerry has been trying to coordinate a transport truck and crane to meet and get the boat out of his shop and down to the Gulf. On Monday, August 10th the truck and crane came together and the boat headed south to Kemah, Texas.

## Laura Ann Barnes

BARNES - Laura was born October 17, 1959, in Bletchley, Buckinghamshire, England, in the same house in which her mother was born. They came to the United States aboard the Queen Mary in 1964. Laura attended Holmes Elementary School and Wright Jr. High, and graduated from East Central High School. She received an Associate's Degree from Claremore Jr. College, and her Bachelor of Science in Education from Langston University. She then attained her Master of Education from Northeastern State University. Laura was pursuing further education in Administration with the aim of becoming a middle-school principal. Laura had many passions in her life. She loved to teach science and instilled a love for the subject in her students. She taught in Tulsa Public Schools for over 20 years, most recently at Carver Middle School, where she also served as Science Department Head. In 2008, she was chosen as Carver Teacher of the Year. She was also named

2008-09 Geology Teacher of the Year by the Oklahoma Society of Geologists, which was followed by national recognition in the same field. Laura was a member of Boston Avenue Methodist Church and the Maranatha Sunday school class. Laura loved to sail and started out on a Sunfish at Girl Scout camp. As her sailing skills improved she progressed to an MC Scow, and she recently became the proud owner of a Catalina 25. She was an active member of Windycrest Sailing Club for 25 years. Her passion for teaching surfaced in this realm and she taught children the fine art of sailing. Ooley, her beloved Border Collie came to Laura in 1998, as she was recovering from surgery to remove a brain tumor. The puppy gave her a focus during a difficult recovery. She trained Ooley in Agility and they both achieved national recognition for their skill in the competitive ring. A second Border Collie, Allie, joined the family and added to Laura's dog training joy. She also rescued two cats, Shang and Dasher, whom she adored. Her human survivors include: her mother, Sylvia Martin; father, Rowland Barnes; brother, Stephen Barnes; uncle, Bruce Hurst; and a multitude of aunts, uncles and cousins in England. Laura's legacy is the students who were privileged to be in her class during her many years of teaching. Her enthusiasm for her subject and love for her students were constants in her classroom. In keeping with her giving nature and desire to contribute to science and learning, Laura's final act was to donate her organs. Her selfless act will enable four recipients in Oklahoma and surrounding states to enjoy a healthy life. A memorial will be held 1 p.m., Wednesday, August 5, 2009, at Boston Avenue Methodist Church. In lieu of flowers, the family requests contributions in Laura Barnes's memory to Animal Aid of Tulsa, 3307 E. 15th St., Tulsa, OK 74112, or The Humane Society of Tulsa, 6808 S. Memorial, Ste. 350, Tulsa, OK 74113. Ninde Funeral & Cremation, Brookside Chapel, 742-5556 [www.ninde.com](http://www.ninde.com) Laura Ann Barnes - Published in Tulsa World on August 4, 2009
