Commodore's Report March 2015

Spring is just around the corner and our races start at the end of this month. Roger has done a great job on our racing schedule and I have great expectations for this year. Our movie night is this week. Hope you were able to attend. The Chili Cook-off is at the beginning of next month. The jonquils are just starting to bloom and the leaves on the trees will not be far behind and that thing we all look forward to the mowing of the grass.

If you have not got your renewal for this year in yet, it is essential to do so, for those late fees mount up fast. Our Work Party is May 2 and Marcus will have all the information to us so that we will know our job assignments. Everybody that is not planning to pay the second half of club dues will have to attend Work Party this year. Roger's new proposal for doing Race Committee for Work Party credit will not be in effect till 2016. I am looking with great anticipation for this year at Windycrest.

Windycrest Sailing Club

Past Commodore's Report March 2015

Sailing season is upon us, even though I sit here watching the snow tumble down, I know that we will be back on the water in a couple short weeks. Fleet Captain Roger Adams and his team have configured a solid schedule and we will be back racing soon and the social activities will also be kicked off on April 11th with the Chili Cook-off. This year it promises to be bigger and better than ever, so make plans to come out and burn your tonsils on some good (and maybe one or two not-so-good) bowls of chili to get our social calendar rolling for 2015.

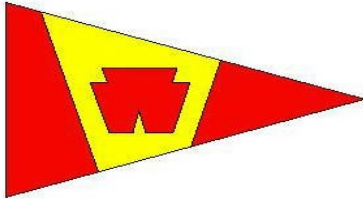

I've been working on this year's edition of our Windycrest Invitational Regatta. I'm planning on a very similar regatta that Danny and Doug put together last two years. All sailboats are invited, including boats from outside the Club. There will be no charge for sailing in the regatta. We'll have free coffee and donuts each day. After racing on Saturday evening we will have an All Club Cook Your Own Steak dinner. I am hoping to score the same ribeye steaks that Danny provided last year and there will be a similar charge, probably about fifteen bucks for the full blown dinner and all the trimmings. Every member of the Club is invited to attend the dinner whether you sail in the regatta or not. Full details on the event will come out by the end of the month. You'll be able to register for the regatta and the dinner via the Windycrest website so keep an eye out for it there.

Speaking of keeping an eye on the website, be sure to do just that as we work our way through our 50th year. Richard Ferguson, our webmaster has built a strong team to develop the activities, celebrating our 50th year. By the time you receive this, we will have enjoyed a movie night at the Circle Cinema and who knows what will be out there next, so stay in touch on the site for that next celebration activity.

I will sign off for now and I look to see you at the lake and on the water soon. Bring on the warm weather.....I am ready to sail!

WINDYCREST CHILI COOK-OFF APRIL 11, 2015

Well, it is that time again. Time for the Windycrest Chili Cook-off, which is Windycrest's big Spring coming out party. It's one of the only competitive events at Windycrest to participate in without the possibility of getting wet; with one possible exception.

It seems there are always plenty of willing hands to assist the immediate Past Commodore into The Lake for christening and the opportunity to report on the water temperature for the rest of us.

When: April 11th. We will light our fires at 10:00 and turn in for judging at 12:30. Awards will be around 1:00 and given not only for the top chilies, but for the most enjoyed team theme.

Get your team together and get ready. Cook with your fleet, your dock neighbors or just with some friends who want to be at The Lake and have a good time.

Be advised there will be no adultery at this event – Chili-Head talk for using commercial chili mixes, pre-cooking chili, meat or any part thereof, catsup, salsa – well, you get the idea. For you new folks, this is a great and casual time to come hang out and get to know Windycrest. Come on out and cure cabin fever by acting like a sailor!

Your Coordinator: **Steve Horn**

Vice Commodore Report

The time has changed! Now we can go sailing after work or at least get out and knock the winter time dust off our boats. Boat maintenance is a lot better job when it's 60 degrees outside. An early look at your boat will give you some time to order any parts you need to get it going before the prime sailing season starts. Hope to see you sailing or working out at the club this month.

This season's work party will be May 2 on Saturday. Work day is always a fun time out at Windycrest. The annual event not only saves a sailor a lot of money, but it is one of the few times the majority of the membership is out at the club at one time. I look forward to seeing everyone. We are making plans and looking to our membership for ideas for club maintenance or upgrades for our facility. Please contact me with your input and we can put them in the hat for the Board of Governors review meeting.

Fleet Captain's Report

Well it's March and a lot of loose ends to tie up before our season starts (oh yea) - boats to prepare, new equipment to purchase, etc.

The Dirty Bottom Boat survey was a success; over 20 people replied showing interest. The Dirty Bottom Boats are boats kept in the water, slip or mooring. We plan to have separate starts and courses, and these boats will be scored against each other, taking the advantage away from boats on hydro hoists or dry sailed...fair is fair. Hope to see all you ladies and guys on the starting line. And especially at rehash to hear about your race and answer questions.

The racing instructions have been slightly changed. Of course the new start for Dirty Bottom Boats was added, and a rule requiring mast head floats for the MC fleet in order to be scored. I know rules...I hate them too but some are going to be there for safety reasons.

The awards ceremony in February was excellent. Great venue, great food - thanks Marsha Baker and Nancy Keithline - excellent job! Lisa Weatherholt had all the trophies and was an excellent Master of Ceremonies. She will have an article describing all of the results.

Another BOG meeting, and again I'm surprised by the amount of work that goes into club operation.

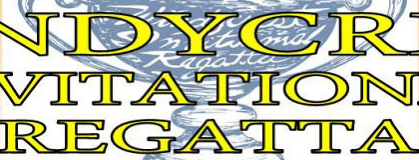

The calendar on the website is fairly accurate, so check it out and make your plans. The web master has done an excellent job...check it out, lots of information there.

Remember, by volunteering for 2 Sunday race committees or 4 Wednesday race committees in 2015, you do not have to participate in the 2016 work party, or work day, however you think of it.

From the C22 Fleet

Thanks to all who came to the C22 Fleet Meeting on March 14. Roger Adams was there to explain the Dirty Bottom proposal. In brief, it would be a "sailing course" set up on Sunday afternoon for fun sailors that would start about 5 min after the serious racers get off and would be a triangular course vs the normal racing windward / leeward. The start sequence is the same, right-of-way rules that we all use are the same but less pressure.

We also have C22 skippers without crew and people who can crew, but we need better communication and I will try to keep the e-mails coming. (reply to "all")

Last year we did a spring fleet clean-up. This year experienced C22 sailors Steve Snider and Mark Lobo will pick a fine spring day and let us know how they set up a C22 to sail. Watch your e-mails for date and time.

Michal Jones is planning a "long distance cruise" to Manford with as many C22 or other boats as wish to go. We would leave early / mid morning, cruise to Manford, have lunch and then cruise back. Proposed date is April 25 or May 9 depending on the weather as it needs to be easy sailing. Again please watch your e-mail.

Thanks to all for your help and ideas and I hope to see all at the Chili Cook-off.
