Commodore's Report July 2015

This month at Windycrest has been rather unusual. The pavilion, parking lot, and ramp have been underwater. This makes it difficult to have social events and also affects the sailors that have to launch their boats. Most members have been flexible, accommodating and helpful with the situation. Social events were well attended and the camaraderie made these events a lot of fun.

I want to thank Jack, Yul, the Chain Gang and all who helped with the difficulties from the high water.

Hope to see you at Windycrest soon.

Sail for Steve

This regatta is to help people with Amyotrophic Lateral Sclerosis (ALS). This regatta is for charity. Steve and Mary Snider told us about the needs of the people who have been diagnosed with this disease. Steve became familiar with these needs after he had been diagnosed with ALS. On September 12th – Windycrest will have a regatta with the proceeds going to helping people with ALS. There will be a Notice of Race found in the Windword. I would like to invite you to participate in this regatta and let's help others that are less fortunate than us.

Past Commodore's Report July 2015

As I write this monthly note, the club and lake are beginning to return to a normal state. The deck at the pavilion is useable and we can walk to B and C docks without wearing waders. Hopefully the Corps will continue to be able to lower the lake so that we can continue to move to the normal mode of operation. However, Mother Nature is running this show and if she continues to pour rain water into Keystone and her tributaries, we will be forced to continue to figure out a way to cope. Jack and some key members have done yeoman work to keep us operating in these last couple months, consequently we continue to run most events on the schedule. One exception are the beach parties.....we have no beaches!

As we work our way into these dog days of summer and the lake returns to its normal state, come and enjoy the lake in the evening after the sun is down and cool evening breezes pop up, usually right at sundown. We are quickly running out of Wednesday night races so mid-week formalized racing will end soon. Your fleet captain worked hard on the schedule to stretch the Wednesday night series however, there is much formalized racing remaining. Remember that all keelboat races are run with provisions for the Dirty Bottom and Silver fleets. Come out and enjoy some fun sailing in these new fleets as the second half of the season gets underway.

The lake level has hindered some of the racing but not the parties. They have gone on as scheduled with Cheeseburgers in Paradise in late June with well over 110 in attendance and then the MC fleet followed that up with Drew Ziegler leading the way for a new 4th of July event, a rib barbecue party on the third of July. This was a booming success with about 100 in attendance enjoying great food and a fun band into the wee hours.

All of this to say that your club continues to be active and fun, even with these tough couple months. Come out and enjoy, the summer is quickly sliding by.

Vice Commodore's Report July 2015

Hope everyone had a great Independence Day! As everyone knows our docks and club have taken on some hard weather this year from storm damage to dealing with the high-water from all this needed rain. We are in the process of working with our insurance adjuster to get the docks back in working order. The pavilion upper roof also is in need of a new roof job. We are close to get these items buttoned up now that that rain has stopped. All this water level changes have been a challenge for Jack and our chain gang team, but they have been doing a great job and everything is looking good. Now that we hopefully have seen the most of the high water we can start getting boats shuffled around on the docks and get everyone up one hydro hoists that wants one. On another note. Check your calendar next year for our annual work day. We have been discussing not allowing a second opportunity next year and wrapping up one and done! Happy Sailing.

Activities Captains' Report

Windycrest Sailing Club has been very busy the last few weeks with summer parties.

June 20th - we had the "Cheeseburger & Paradise" party. It was a huge success. Special thanks to Jo Ann Chandler & the Sunfish fleet for all their hard work coordinating everything that goes into hosting this event. It was a really fun evening and it was very well attended. We loved the steel drums.

July 3rd - Drew Ziegler and the MC fleet deviated from the traditional corn roast to a "Ribfest". Some people wondered if this change of menu was a good idea. I am sure they quickly changed their thinking after sinking their teeth into those juicy ribs. They were delicious! All that attended were asked to bring a favorite dish to share. Martha Stewart would have been proud of all the tasty food and desserts we had to go with the ribs. No one left hungry!

Special thanks goes to Greg Tiffany. He graciously volunteered to cook the ribs. He started smoking the ribs at 6:00 am. We truly appreciate all his hard work to make our dinner so perfect.

In spite of some rainy weather & high waters, we were still able to have these two very fun and successful parties. If you missed these events, please mark your calendar so you won't miss the next one. The next event is the beach party which is Aug. 1. The mc fleet captain, Drew Ziegler, says we are going to have it at one of the beaches or at the pavilion.

Fleet Captain's Report

What the @&\$&! Wish it would stop raining. Not much to say this month. I think we should all get on our boats and raise sail. Hope to see you on Wednesday and Sunday for racing and rehash.

We all owe Jack a debt of gratitude for all the work he's done during this high water. So when you see him, say thanks.
