Commodore's Report September 2015

The first part of sailing season started off rather rough with high water, high winds and the dock breakage. This made it very difficult for some of the sailors to get to their boat or to launch their boat and also to do any racing.

The second part of the season has been much better. We have completed all the Spring, Summer and Fall series. The sailors will start competing in the Winter series starting on October 25th. The races will have both Centerboard and Keelboat racers on the course.

I want to take this time to thank Jack, Yul and the Chain Gang for all the hard work they did, with the repairing of the docks, and replacing all the chain throughout each dock. Yul, thanks for your help with the welding of all the parts together and making sure that they were in the proper places to distribute the weight around.

I want to thank the people that worked on the Board of Governors with me this year.

Marcus, for always working and keeping the slip and mooring list updated. Also re-doing the front gate when entering Windycrest.

IV, for being in charge of the Junior program and handling the camp this year, and getting some children ready to go and prepare them to become sailors in the future. Also for taking care of the boats that were damaged and ordering the necessary parts.

Tom, for always keeping a watchful eye on the finances and taking of all the club's expenses.

Roger for the outstanding job of getting people out on the race course and making the new members feel part of the Windycrest family.

Terry for all his guidance and leadership.

Harvey and Marsha did all the club's social events. The events that I participated in were a lot of fun and I am looking forward to the Holiday Party festivities.

Richard Ferguson and the 50th year anniversary committee, for looking up all the facts about the history of Windycrest. This was great information and I know the members have enjoyed reading and hearing about it.

Julie has done an outstanding job of getting pictures on the Windword and that made the publication look very nice.

Sally for taking the minutes at the monthly meetings and trying to keep me posted of any dates or pertinent information in regarding to Windycrest.

Some of the upcoming social events will be on October 24th we will have the Turkey Fry and the Annual Meeting. The host of this social event will be the Catalina 25 and 27 and also the Keelboat Racing Fleet. This were the members will cast their votes on the proposed BOG officers for 2016.

I want to thank you Windycrest members for the opportunity of participating on the Board of Governors. I want to wish the new BOG officers a lot of success in the upcoming year.

See you at Windycrest.

THE SPIRIT OF WINDYCREST AWARD

This select award is not necessarily bestowed on an annual basis, but is only given in very special cases. Members who have devoted endless time and energy to make not only Windycrest, but the entire sport and pastime of sailing the best it can be have earned this award.

1997 - DARLINE HOBOCK

Mrs. Hobock was a charter member of the Club, and served in nearly every capacity possible while building and leading the Club. Darline was recognized as a top racer in Thistles and keelboats, winning numerous regattas and series. Highly organized, she spent countless time on bettering sailing for everyone. She directed the Portsmouth Yardstick Handicap Numbers for US Sailing and served on various committees, nationally and regionally, for many years. Darline died in January 2010, but her Windycrest Spirit in those that knew her will live on for many years to come.

1998 - JOE BECKER

There can be no better champion of our Windycrest Spirit than Joe Becker. He has always been there for the Club, from day one. Through his business, Tulsa Sailcraft, he was able to promote sailing throughout northeast Oklahoma. Joe has touched the lives of nearly every sailor in area, letting his Windycrest Spirit come through time and time again. Joe loves to be on the water, and is a two time national champion in the Catalina 22 class.

2015 - Steve Snider

As a member of Windycrest since 1983 no one exemplifies the Spirit of Windycrest better than Steve. As a strong advocate of sailing he served as a Windycrest Commodore in 2006, served on the Board of Directors at the national level for the Catalina 22 class, achieved Catalina 22 National Champion status in 1989, he was active in the Sunfish class on a national level. He is also responsible for bringing many regional and national regattas to Windycrest, serving as host, PRO and participant. He has always been a strong supporter as well as instructor of the Windycrest Junior Program and raised the bar of excellence for any and all Windycrest activities.

Past Commodore's Report October 2015

Fall sailing has arrived and the eagle watching can commence. September is a wrap with the annual Charity regatta and the MC Regional regatta completed. Both were booming successes. There is detailed coverage on the regional regatta elsewhere in the Windword but the most notable element that cannot be over stated is that we had a nice fleet of 26 boats in the regatta, due to the efforts of regatta chairman Drew Ziegler. This was not a one man show and much support was provided from the membership but Drew was the driving force to make this one of our better MC regionals in recent years.

The Charity Regatta, Sail for Steve, benefiting APSO, ALS Patient Services Outreach was also a great success. We really can't call it a regatta, but it is, with lots of boats on the water and lots of trophies being awarded. This year we had light and variable winds, making for close racing and lots of lead changes throughout the afternoon. Harvey Baker was the overall winner as the first boat to finish and Barend and Claudia Meiling were awarded the Spirit of the Regatta trophy for their ongoing support of Windycrest and our charity events. The Meilings were also the first recipients of this coveted award many years ago at one of the early MS regattas. To add to the color of this year's event and to assist in fund raising, Art Long provided a DVD of his book, *Tail-end Charlie* to all donors of \$25 or more. Art's book and this DVD describes his hair raising aerial combat missions over North Vietnam. Several contributors did not pick up their DVD at the regatta. If you did not, email art at aklong99@hotmail.com or give him a call and he will get it to you. When all was said and done, this year we raised over \$11,400 for the benefit of APSO who continue to assist Steve Snider in his ongoing fight with ALS.

Racing at Windycrest will be winding down by the time you receive this. The winter series will complete in mid-November and we will wait to launch another racing season in the spring. However, don't miss out on some of the best time on the water of the year this fall. The eagles will be soaring and the best place to observe them is from the middle of Keystone on your own private yacht on a sunny brisk fall afternoon. Don't miss it.

This will be my final monthly rap to you as Past Commodore as I have attended my last board meeting as an official board of governor's member. I leave the board with good feelings about the leadership team that is in place. Support them as they continue to work to make Windycrest the best that it can be.
