**HAPPY HOLIDAYS!**

## Commodore Report December 2015

Happy Holidays Windycrest and happy 50<sup>th</sup> anniversary. This year's party was a blast. Harvey and Marsha did a great job organizing. The photo booth was a hit; even Elvis showed up to hang out. Everybody got to celebrate 50 years of sailing. We had a full dance floor and everyone cut loose.

Windycrest is officially older than the Superbowl. Richard Ferguson and his select team did a great job of putting our anniversary book together. The last 50 years was kicked off by Kenneth Greenwood and ended with Darrell Daniel. Now I guess it's my turn to start the next 50. I look forward to the next chapter with everyone at the club.

Don't forget that this month is Jack Stewart's last as Facilities Manager. He has done a great job for our club. He is leaving us with some big shoes to fill. IV McNamara, Drew Ziegler and I are in the process of interviewing candidates for this position. We don't expect any down time at the club. We will have the next Facilities Manager in place at the first of the year. Jack has agreed to stick around and show the green horn how the club works and all the little parts and pieces that make it go round. Get out and enjoy this weather.

-Marcus

## Rear Commodore Report

Greetings Friends of the Fruited Plant,

I want to thank the 50<sup>th</sup> Anniversary Committee for a great Holiday party. It was quite a blasty-blast. I hope the rest of our parties for the coming year are that successful.

On the training program, please refer to my last month's article, and contact me if you are interested. I am getting a good amount of feedback for advanced race training along with the basic. I will have several classes throughout the year.

Also if anyone has friends that are interested in joining the club, please push them to join. 2016 will be the best year of the decade at the club, we have many great ideas and plans to outpace the great year we had in 2015.

Happy Festivus, Cheers

## Treasurer Report

It's membership renewal time. The Secretary will be sending out membership renewals in late December. Please review the membership form for accuracy and completeness, make corrections if necessary, **sign and return it with your check for the entire amount due**. If you have not received your renewal form by January 15<sup>th</sup> please contact the Secretary to receive a replacement.

Some tips to help in the renewal process:

**Remember that the person assigned a storage space is the one responsible for payment of fees.** If you have a co-owner, please handle financial arrangements among yourselves, the Club is not party to or knowledgeable of your agreement.

**Mail timely.** We use the legible postmark date to measure timeliness. If you are mailing close to a deadline you should consider having the post office hand cancel the mailing to insure that it is readable.

**Enclose your complete payment with your renewal form.** While electronic bill pay is handy for some purposes, remember that they generally do not have dated postmarks and may take as long as 10 days to process and be received by us. Timeliness of renewal is based on receipt of both the **signed** form and **complete** payment of your dues and fees. Please do not try to use postdated checks. Incomplete forms will be returned. We do not accept credit cards due to the cost involved nor do we offer extended payment terms but we do offer the option to prepay your dues and fees in amounts of at least \$25 per payment.

**Use the Club post office box.** The box is checked daily during renewal season and all renewals received are processed daily. Use of any other address may result in delayed processing and possible loss. The post office box, processing office and bank branch are within a single square mile making for efficient timely handling.

**If you are not renewing your membership, please let us know.** An email or letter to the Secretary will be appreciated and help us avoid unnecessary mailings. Remember that if you are not renewing, your property must be removed from the Club prior to February 1<sup>st</sup> to avoid storage charges.

## Fleet Captain Report December 2015

It was great to see everyone at the Holiday Party, now back to Racing! Don't forget to put January 1, "I hate bowl games" regatta on your calendar. The outlook is 47 degrees, partly sunny with a perfect breeze.

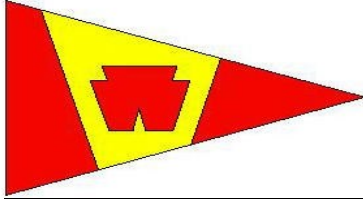

We are going to kick off this year's racing season with a one day training regatta with trophies. There will be a Keelboat Ice Breaker regatta on March 20<sup>th</sup> followed by Keel Boat Spring 1 & 2 on April 3<sup>rd</sup>. The Centerboard Ice Breaker is scheduled for April 17<sup>th</sup> followed by Centerboard Spring 1 & 2 on April 24<sup>th</sup>. Our goal for these Ice Breaker regattas is to have a lot of starts and top mark roundings on a short race course. I am looking for a couple of experienced CB members to volunteer for the Keelboat race committee and KB members for the CB regatta. More details to follow.

P.S. If you have a preferred date you wish to sign up for 2016 PRO email [fleetcaptain@windycrest.com](mailto:fleetcaptain@windycrest.com) for your priority placement prior to release of the 2016 calendar.

Jon Crump

Windycrest sailing club has a group of members that ride bicycles 1 to 3 times a week, on the beautiful trails the city of Tulsa has created. We have approximately 12 members that will ride at different times with the group. The rides will last anywhere from 1 to 2 hours and the bike average speed is somewhere between 12 and 14 miles mph . We take breaks as needed. We have many places that we ride to, for instance Red Bud Valley, the Katy Trail going to Sand Springs, Riverside Drive going to Jenks, Katy Trail going to Sperry, and many more destinations. We all have one thing in common, we know that by staying active we have a better chance of a healthier life as we get older. When we decide to ride, an email is sent out the day before giving the location of the meeting point and time we will start and the ride Destination. If you have an interest in riding with this group you can send a request to [sailj24m@aol.com](mailto:sailj24m@aol.com) to be put on the Notification list of a ride. The name of this group is the (WILD HOG'S) we do have some lady hogs.

The picture below was taken at the Jenks airport when the B-17 bomber was in town on November 12th. This is what a group of wild hogs look like on an typical outing.

### **Spectators are welcome!**

If you are interested and want to take a test drive please contact IV McNamara and a loaner boat can be provided.

On the last Windycrest keelboat race day of the 2015 , somebody wrapped this three foot Banana plant in the spinnaker of this J 22 sail boat . The boat name is (Dirty White Boy). Did this person want to scare the hell out of Harvey, Roger and Bling as they launched spinnaker at first weather mark rounding? Yes, but this event did not happen because the crew did not show up for the last race of the year. Well there is always next year.
