## Commodore Report March 2016

Top of the morning to ya....fellow sailors. Hope everybody is getting into the swing of spring. I know we all hope that this spring will be better than last year's sailing kick off. Time to get out to the club and dust off your boats, for this year's sailing season. If you are working on your boat in the dry sail lots please only use the concrete wash pads for no more than 48 hour periods. This time of year everybody needs to get an opportunity to use these cleanup spots, so help your fellow sailors.

I want to welcome our new members to the club. This has been a good year for recruitment so please take time to introduce yourself and help a sailor out if you see a new face at the club. We have a lot of opportunities coming up to do so.

First race of the year is the Keelboat Icebreaker. This is a new racing event that will focus on 1 lap races giving everyone an opportunity to practice the start and mark rounding.

Don't forget Kenny's rehash will be Saturday April 2<sup>nd</sup>. It was his request that the club take a moment to reflect on his time at the club and all the good moments that we shared together. Kenny always considered Windycrest a second home. He will be truly missed this sailing season and many more to come so come out and tell your favorite Kenny stories and enjoy the celebration like Kenny would want you too.

Next on the list is the Chili cookoff April 9<sup>th</sup>. This event speaks for itself so be at the pavilion to enjoy. Hope to see you at the club. I love spring, best time of the year!

## Rear Commodore Report

Good Afternoon Windycrest,

The training program is going great right now. Many folks are inquiring and interested in participating this year. I have yet to hear of any juniors interested. The Junior Camp is JUNE 13-17, if you have grandkids, nieces or nephews, or your own children please let me know if they will be participating so we can plan properly. The swim test will be at the lake.

**Adult Sailing Schedule: Wednesday Nights and Sunday Afternoons other dates to be decided.**

I will have some beginner classes in the spring and try to do weeknights and Saturday sessions throughout the year. Please note the Chili Cook-off is the Official Training Meeting. We will get together then to decide what dates work. Please Send Me an EMAIL if you plan on doing training or want to be notified of Adult Sailing Dates.

If there are any Racing Skippers looking for crew, there are some newer members looking for boats to crew on. And for anyone looking to crew on a boat, **SHOW UP ON A RACE DAY!!** If there isn't a boat available to crew on Race Committee always has space to view the races and learn more about the sport. Nothing exciting ever happens sitting on the couch.

**Other Notes: Mark your Calendars**

**MC SCOW FLEET MEETING, Harvey & Marsha Baker's House, Friday 4/1 6:30  
Agenda: Chili Cook-off.**

## Fleet Captain Report

Sailors,

The season opening keelboat Icebreaker is here. See you at the skippers meeting on Sunday at 1:00 PM. The first start sequence starts at 1:55 PM

As a reminder, this is a series of races intended for training but scores will be counted and there will be awards.

If you are a cruising sailor there will be plenty of room on the race committee boats where you will be entertained by our training and learn about racing. There will be crew positions available if you wish to experience the racing but are not yet comfortable skippering your own vessel during the races.

# Kenny's Re-Hash

Mark your calendar for April 2<sup>nd</sup> - 2 PM

We are gathering at the Windycrest Sailing Club Pavillion to remember & celebrate the life of Kenny Baggett.

There was nothing that Kenny enjoyed more than sailing with

his friends and fellow sailors at Windycrest. After the race

there was always re-hash; this is when the sailors would take the time after the race to relax and discuss the race while having a beer and usually peanuts while they talked.

Kenny requested that we hold a re-hash to remember him.

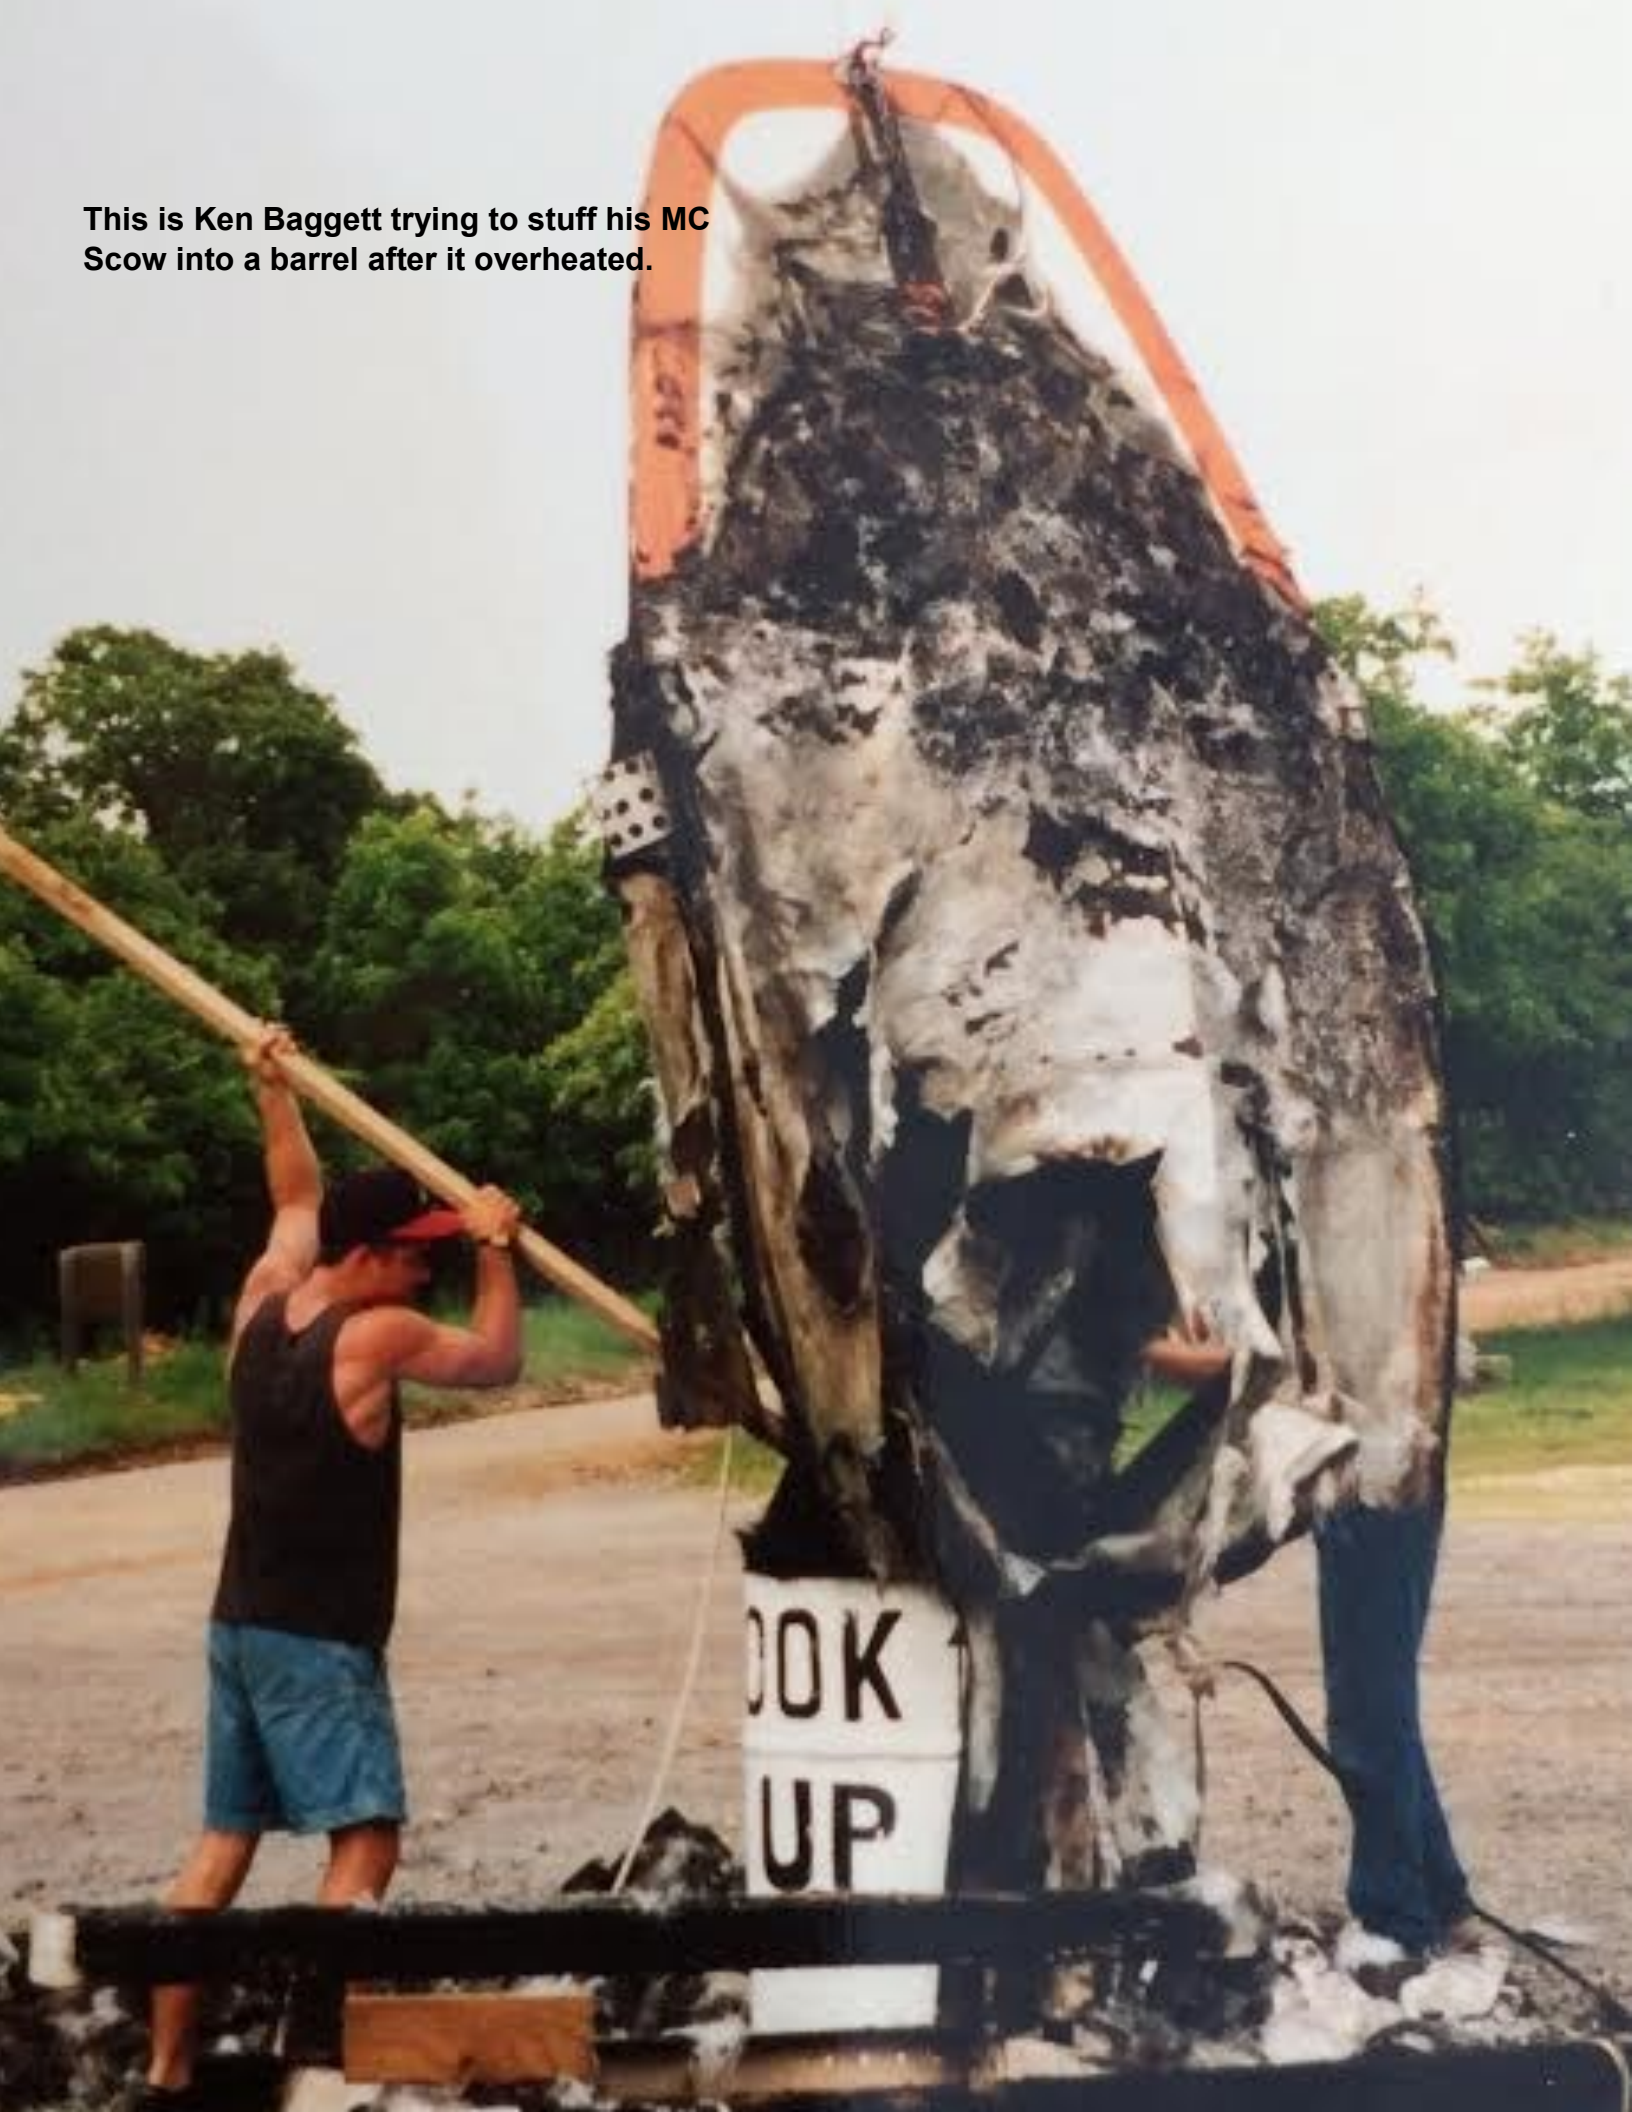

We will take that afternoon to share stories & memories we all have about Ken. Windycrest was like his 2<sup>nd</sup> home.

Please join us April 2<sup>nd</sup>, 2 PM - till ? at the Windycrest Sailing Club Pavillion.

**Appetizers & beverages provided**

**This is Ken Baggett trying to stuff his MC Scow into a barrel after it overheated.**

## Rules of the Windycrest Sailing Club Chili Cook-off

The rules and regulations for cooks at Windycrest Sailing Club's (WSC's) Annual Chili Cook-off are as follows:

1. Chili is defined by WSC as any kind of meat or combination of meats, cooked with red and/or green chili peppers, various spices and other ingredients with the exception of BEANS, PASTA, or other fillers which are strictly forbidden. The penalty for including prohibited filler will be the utmost disdain from true chili aficionados while in the presence of the offensive preparation. The Potential benefit may be that the people who like your chili will like it and eat it.

2. No ingredient may be pre-cooked in any way prior to the commencement of the official cooking period. The only exceptions are canned or bottled tomatoes, tomato sauce, peppers, pepper sauce, beverages, broth, and grinding and/or mixing of spices. Complete commercial chili mixes are NOT permitted (see penalty for using beans in chili). Meat may be treated, pre-cut or ground. MEAT MAY NOT BE PRECOOKED. The rawness of meat will not be tested without due cause. NO ROAD KILL is allowed without written permission from the Oklahoma Department of Wildlife Conservation. Rattlesnake and other exotic animal meat will also be allowed, provided that you bring it LIVE, you cage it, you feed it, you clean up after it, you butcher it, you cook it, and you dispose of the remains. In other words, "We ain't gonna be "sponsible fer yer critters." All other ingredients must be chopped or prepared during the preparation period.

3. Each Fleet may enter one chili. Each chili must have a designated head cook. Each head cook is responsible for preparing one pot of chili that he or she intends to be judged and for turning in one judging cup from that pot. No more than one judging sample can be taken from any one pot. If a Fleet cannot count to One, a tutor will be provided onsite.

4. COOKS MAY HAVE TO TASTE THEIR CHILI. At the discretion of the head judge, chili cooks may be required to remove the lids from their chili cups and taste their chili before turning in for judging. If a contestant refuses, his or her chili will be disqualified and the sheriff will be summoned. Surveillance video may be admitted as evidence in any legal proceedings.

5. The cooking period will begin at 9:00 AM on the day of the cook-off. The cooking period will end at 12:30 PM at which time chili specimens shall be delivered for judging. Cooking during the entire cooking period is at the sole discretion of the contestant

6. There shall be a contestant's meeting at which time final instructions are to be given and questions answered beginning no later than 8:45 AM. If anyone is crazy enough to attend such an early meeting, they will probably not gain any advantage, since all questions will be answered whenever they are asked during the cooking period.

9. Each contestant must cook a minimum of 3 gallons of competition chili prepared in one pot, which will be submitted for judging.

10. Each contestant will be assigned a contestant's number by the Chief Scorekeeper and be given an official WSC judging cup. Each contestant is responsible to deliver their cup, which must be filled to the level declared in the contestant's meeting, to the judging area at 12:30 PM for judging.

### 11. JUDGING CRITERIA AND SCORING-

Competition chili is blind judged on the following five criteria:

- AROMA - Chili should smell appetizing.
- CONSISTENCY - Chili should be a smooth combination of meat and gravy.
- APPEARANCE - Chili should look appetizing.
- TASTE - Chili should taste good.
- AFTERTASTE - Chili should leave a pleasant taste after swallowing.

## Rules of the Windycrest Sailing Club Chili Cook-off (continued)

Each cup of chili will be scored on its own merits with a number from 0.0 to 10.0, 10.0's being the highest, by the subjective impression of each judge. Decimals (.1 -.9) will be taken into consideration. EACH CHILI MUST BE SCORED - If a judge determines (by aroma, consistency, and/or appearance) that he/she does not want to taste a chili, that chili still must be given a score. Any chili that does not stay down more than 10 seconds may be scored on either the first taste or the second at the discretion of the judge. Chili that comes up after 10 seconds must be scored on the first taste.

12. PYROTECHNICS - No chili contestant may discharge firearms or use any pyrotechnics or explosives at a chili cook-off. Contestants discharging firearms and/or using explosives or other pyrotechnics will be disqualified from the chili cook-off and be required to clean the pavilion at the conclusion of the cook-off.

13. The decisions of the Chief Judge shall be final, unless he changes his mind.

### **GUIDELINES FOR SHOWMANSHIP**

These guidelines are designed to provide helpful hints as you compete in showmanship.

2. Sign(s) identifying your chili team name.
3. Chili booth, decorations, props, costumes, battery-powered amplifier, musical instruments, giveaways, and any other equipment to be used in show.

#### **JUDGING CRITERIA**

2. COSTUME - Show costumes should promote the show theme.
3. BOOTH SET-UP - The show booth should promote the show theme.
4. ACTION - Show should be action-oriented.
5. AUDIENCE APPEAL - Show should be entertaining to the audience.

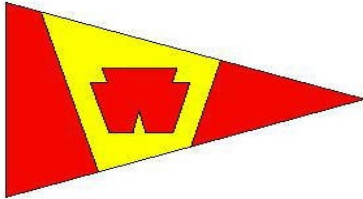

### **BASIC SHOWMANSHIP RULES**

2. Must be limited so as not to interfere with other contestants.
3. Cannot use nudity and lewdness in their shows without a previous private demonstration to, and approval of such from, the head judge
4. Cannot use firearms, explosives, or pyrotechnics in their shows.
5. May use battery powered amplification with limited volume so as not to interfere with other contestants.
6. Will be judged both at their cook sites and while traveling around the cook-off, if applicable, during the showmanship period.
7. The showmanship period will begin at 11:30 AM and run for one hour.

NOTE: Contestants who fail to comply with these rules will be subject to the harshest ridicule, which may include an invitation to a long walk on a short dock.
