## Rear Commodore's Report

Greetings Children of the Crest,

In case you haven't been out at the lake or read any articles in the Windword, Windycrest is in full effect. IV and everyone else did an awesome job on the work party. I am hoping next year's Work Party is as nice and successful. My Crew on the board boat dock got everything into shape, all the club training boats are ready to rock and roll.

We are having Adult Sailing Tuesdays now 6PM, now until June 28<sup>th</sup>

Saturdays 10AM- 1PM MAY 14<sup>th</sup>, 28<sup>th</sup>, June 4, 18, 25

Junior Sailing Camp June 13-17<sup>th</sup> it will be 9AM-3PM, Please watch your email for any changes or announcements. If you haven't notified me, please do so soon.

Common Question: Can I take out the club training boats? Yes, if you are part of the training program, you must ask me (rear commodore) for permission, and there must be a club rescue boat on the water, ie Sunday and Wednesday night races or any training session.

By the time you read this MudBug Fest will be tomorrow May 14th, it will be a Blast!!

## Fleet Captain's Report

Racing season is here and you want to crew. Great. See you at the pavilion at 12:45 for Sunday Keelboat races or 5:30 on Wednesday evenings. Check in with the fleet captain and we will make sure you have a ride. If you are real adventurous, agile and like getting wet come out to the pavilion on a Sunday center board race when the wind is forecast to blow over 13 mph.

“Heeling in the Heartland” is a RC sailboat regatta, not to be confused with “Healing in the Heartland” a religious tent revival.

## MC Fleet 32 May Report

Hmmm. Nothing to report on the home front yet as far as racing goes. Maybe next month after the Wednesdays start and we've done the Windycrest Invitational. On the travel circuit Danny, Stephen, and Ian attended Spring DinghyFest at Rush Creek in Dallas. I think the final scores were Danny 3rd and Stephen 5th or 6th out of 15 MC Scows. On the MC course we did 3 races in winds that started at 12 and dropped to 4 from the north on Saturday. Without going to the blow by blow of each race, the keys for the day were: Race 1-recognize the WW mark was 30 degrees to the the right of upwind. Made for drag race tacks and jibes. Race 2- shifting gears in a dying wind, and Race 3 -Find and stay in the best pressure and dark water. Stephen really sailed well with a 4-2-13. I wound up with a 7-3-1. I am not sure how Ian wound up score wise. He was racing VX-1's on a different course. There was buku charlie wind on Sunday morning but most boats had to see for themselves. Mark Marling and I went out and confirmed the solid 20-25 north wind with 3+ foot waves. We got smart fast and came back in along with the Scot's, VX's, and E's. I can pretty much assure all three of us had a good time throughout the weekend.

Later this month is the WIR here at the Club on the 21st & 22nd. Sign up. There is no charge for the regatta. So fix it and get out there. Or get out there and break it. Get out there and make your fleet proud of you. Be sure to register for the Steak Dinner that night. They only buy enough for the registered people, so No Registerees-No Eatees. Now as a final enticement to those non-racers, you can still do the dinner and enjoy a moonlight cruise, I believe it is a full moon night. Just be sure to make your dinner reservation.

Before the next Windward is out we'll also of done the Orlando Webb Regatta at Lake Lotawana. The short drive to Kansas City is well worth it to race 40 other MC's in a "stadium style" venue. The racing area there is similar to if we set up racing in our cove. Different, cool, fun, and challenging. Still plenty of time to sign up for this one all you MC folk.

Next up is a spiel on the Sail for Steve Regatta. I'd venture to say that Steve Snider is certainly our most selfless and giving member. And far and way our most inspirational member. And he has ALS. The project he has asked us to support, the ALS Patient Services Outreach, is very worthwhile. (Please see their informative website at <http://www.alspatientservices.com> ) Every dime given goes straight to APSO to help ALS patients and families in northeast Oklahoma whom have slim resources to face daunting challenges ahead of them. Windycrest members have generously donated nearly \$40,000 over the last 3 years to help build the APSO, which started in 2011. This year Steve personally invited a special guest to sail with us. Paul Foerester is a three time Olympic medalist that is planning to attend the SFS Event this year. To watch Steve work tirelessly on the regatta has been inspiring to say the least. Please start planning now to support, contribute, and participate in the SFS Regatta the weekend after Labor Day.
