Good Luck to the three lucky winners!

Sponsors for this effort are Steve & Mary Snider

Dear friends of “Sail for Steve”,

On behalf of Steve and Mary Snider, *Windycrest Sailing Club*, and all of us at *ALS Patient Services Outreach (APSO)*, I would like to say “thank you” again for your generous support of last year’s “Sail for Steve” event.

The year has flown by and now we’re getting ready for another “Sailing for Steve”, an event that has come to be one of the highlights of our year! Once again, thanks to your generous donations, APSO has been able to help several families that, without your help, would not have had received some very needed help as they navigate through their journey with ALS. Because of your assistance, we’ve been able to work with quite a few families in the area of home accessibility remodels, and even general home repairs and maintenance that many times are left undone due to the high cost of living with ALS. By coordinating with some local contractors that volunteer their time and resources, we’ve been able to keep some families from living in homes that are falling apart.

We’ve spent countless hours in ALS families’ home this year providing education about the ins and outs of ALS. We’ve also provided guidance on the increasingly difficult job of navigating the Medicare/Medicaid system, as well as how to find professional and volunteer help for times when there is no one else available to help. We’ve been able to assist in resourcing and acquiring special equipment that some of our patients needed. We’ve also been involved with several families in the process of setting up caregiving networks that will provide the crucial additional help to care for their loved ones. Additionally, there are many smaller projects that we’ve been involved with, too numerous to list here. You were a huge part of all that’s been done this year!

We’ve been working on becoming more “user friendly” in the area of taking donations and hope that this will help you. We now have pages and links on our website, www.alspatientservices.com, for “Sail For Steve” & “Sail for Steve – Raffle” under the “You Can Help” tab where you can pre-pay for your entry and raffle tickets. So, now you have no excuse ... jump online and sign up for a few chances at a “Pro Crew” to sail on your boat.

We’ll also be able to take credit cards at the regatta this year if that will help you out!

Now it’s time for the next “Sail for Steve” event. We look forward to seeing you there once again on September 10th at *Windycrest Sailing Club*.

I’m sure that most of you are already aware of the details, but just in case you’re not you can

go to www.windycrest.com to find out everything you need to know.

Once again, I would like to let you know how very much we appreciate your support! In fact, we wouldn’t be able to do as much as we do without you!

See you at the lake!

Commodore's Report

July 2016

Windycrest sailors. I am pleased to report that we have had a good summer of new membership and have added 5 new members this month. In additions we have voted on a major club improvement this August BOG meeting. The entry road that we can all agree needs improvements. Osage county installed pot hole repair and improved the road significantly but the road has met is life expectancy. Windycrest will fund the entry road 2" overlay of chip and seal of Windycrest Rd for the full extent from the gate to N 209th W Ave New Prue RD in the amount of \$12,500. The sail for Steve Charity Regatta meeting will be August 25 6:00 Ziegler Art Supply. Raffle tickets for The Sail for Steve can be bought at [Http://www. Alspatientservices.com](http://www.alspatientservices.com)

Happy sailing!

Rear Commodore's Report

Rear Commodore's Special Report:

Not much to report for the last month, Sailing in the evening has been nice. There is a beach Party next weekend, and racing starts again. Sail for Steve is a month away, please make sure you plan to sail. Donate \$10 and get your chance to win 1/3 races with the Olympic Champion Paul Foerster. Also you don't want to miss a Sunday morning Chalk Talk with Paul.

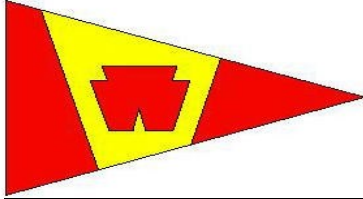

If anyone is interested in becoming club secretary or training director of the junior program please give me a ring. The junior program needs someone to organize events to keep the kids coming out all summer. The program is not sustainable if the kids only show up 5 days a year. Parental involvement is key to the success of the program.

Sailing Season is about to start... well the 2nd half that is, we have about 12 weeks of perfect sailing ahead. Long Distance Race, Sail4Steve Charity Race, WindyCup, MC SW Championship along with every Sunday Race. You cannot afford to miss out on the best time of your life, Sunsets, Beer, Friends, Sailing.

Be there or be square,
