Commodore Report

May 2018

The time has come, it is here! Sailing is in full effect, water is still a bit crisp but the breeze is warm. I want to thank everyone who helped at the work party, it was a great success! If you arranged to do a make up date with the Vice Commodore, your work must be completed by July 1st. If you cannot complete your work assignment, please send in your check for Part B dues.

The crawfish boil is coming up this weekend! I hope to see everyone out! At this time last year, water was near the top floor of the pavilion and we had to cancel last minute. Looks like we might be in the clear this year for a perfect day!

Training and Racing programs are going well, if you have been living under a rock, Wednesday Night and Sunday Afternoon Racing, Tuesday and Saturday Training Sessions are happening now! The first beach party is on June 2nd. Please come out and enjoy the club, we need more boats on the water!

Happy Sailing

Drew Ziegler
