Commodore Report

August 2018

Well the heat of summer has temporarily subsided and the rain is upon us, but still a few weeks of summer to catch the lake. We have had some good sailing weekends. The Tulsa Young Professionals event held a couple weeks ago was great success, I want to thank everyone who volunteered to help. We are planning to have another event in October for more of a race style outing. We have one more beach party for the year next Saturday, it will be a blast!

September 8th is the Sail For Steve Regatta, we will have burgers and Acoustic Freight Train. Please sign up online if you haven't already. Paul Forester will be doing a sailing clinic on Sunday morning. Tickets for the raffle are \$10 each, we will raffle off 3 races (1 Saturday, 2 on Sunday) to have a chance to sail with Paul.

Catalina fleet will be hosting Labor Day Brunch, with a long distance race as usual. Invite your family and friends.

The board is looking for a new activities captain to serve on the board, please contact me if interested.

Cheers

Drew Ziegler

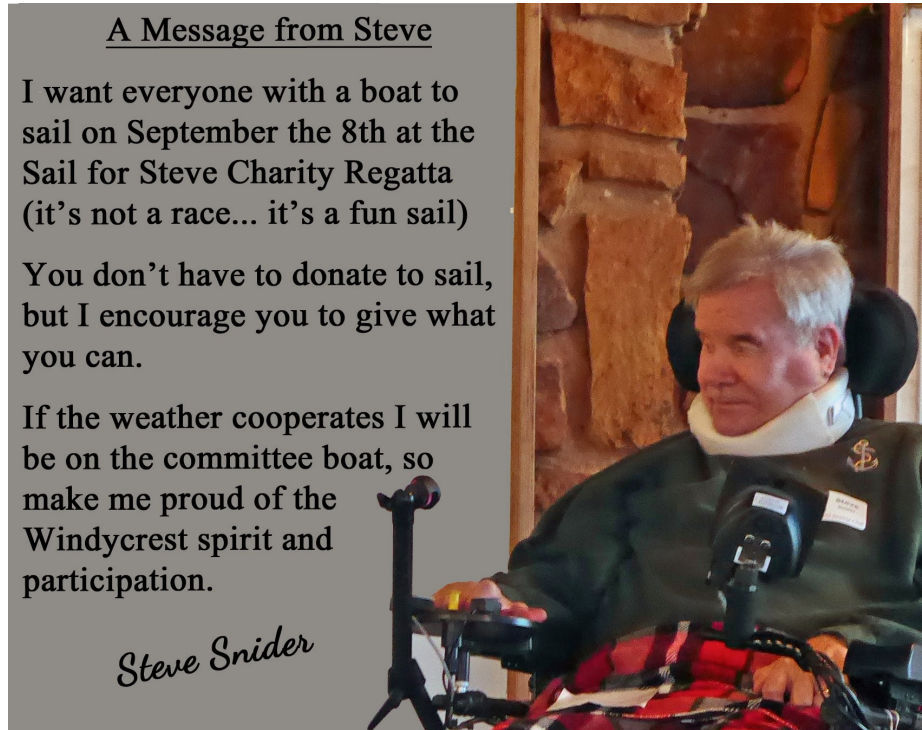

A Message from Steve

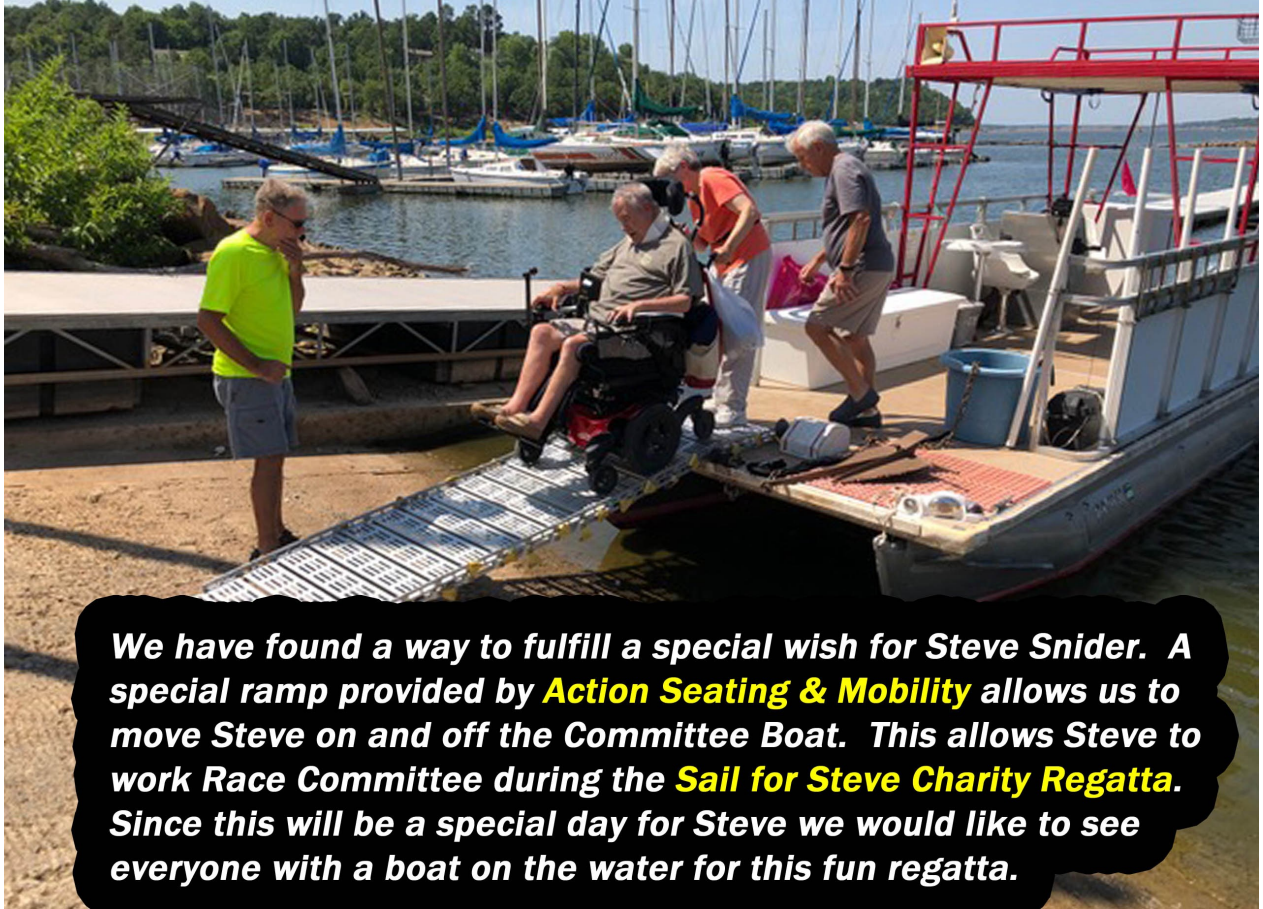

I want everyone with a boat to sail on September the 8th at the Sail for Steve Charity Regatta (it's not a race... it's a fun sail)

You don't have to donate to sail, but I encourage you to give what you can.

If the weather cooperates I will be on the committee boat, so make me proud of the Windycrest spirit and participation.

Steve Snider

We have found a way to fulfill a special wish for Steve Snider. A special ramp provided by *Action Seating & Mobility* allows us to move Steve on and off the Committee Boat. This allows Steve to work Race Committee during the *Sail for Steve Charity Regatta*. Since this will be a special day for Steve we would like to see everyone with a boat on the water for this fun regatta.

A Challenge to all WSC members.

I have my boat tires on and flotation under my chair in preparation for the Sail for Steve Regatta on September 8th.

So here is your challenge from me: Weather permitting I will be on the committee boat, so I want each of you to ready your boat and Sail for Steve. I want to see 50 plus boats sailing. Don't be a Dock Bunny. Participate in our 39th annual Windycrest Charity Regatta for APSO. You can sign up and also get your raffle tickets online for a chance to have Paul Foerster sail on your boat. WOW!!

Let's Do It Again
SAIL FOR STEVE – WSC CHARITY REGATTA 2018
September 8, 2018

Over the years WSC has always set their sails to the wind for their charity regatta. September 8th is the date to donate and sail. This is the time that we want everyone to show up for the biggest sail of the year. We are talking 50 boats on the lake!

All monies donated go to ALS Patient Services Outreach. APSO serves individuals and their families in NE Oklahoma who suffer from ALS. APSO works closely with ALS patients, their caregivers, volunteers, church & civic groups, and their medical team. It is an invaluable service for the many needs of ALS patients.

To make September 8th a real treat for all, we will again have Paul Foerster, three time Olympic Sailing medalist attend the Regatta and be available for: Sailing on three raffle winning boats, one Saturday and two Sunday plus three juniors will also win and participate.

Chalk talk on Sunday morning

There will be many activities: sailing the regatta, trophies, lunch, raffle tickets, talk session, juniors involved, and donating to APSO. Watch for details and come and be part of our biggest regatta sail of the year. Check out the WSC site under the Charity Regatta listing.

2018 marks the 6th year Windycrest is sailing for the APSO.

Who we are helping: www.alspatientservices.com

As a longtime member of the Club, I love supporting Mary and Steve Snyder and their favorite organization, the ALS Patient Services Outreach. It is a great cause, doing so much for people who really need it, right here at the local level. Please check out their website. It tells the story of courageous individuals and the people who help them. As I watch the Snider's, I am amazed and inspired by the strength, courage, and resiliency they exude. Their friendship is special to all of us, and they have cast a wide net over the sailing world throughout the years.

by L. Carl Schellbach, Jr.

I revere those that rise to the pinnacle of Star boat racing, and the general beauty of the boat when well sailed, but what particularly draws me to the Class is the members that make it all happen. And a LOT happens in the Star Class.

I had the opportunity to work race committee at the World Cup Series Miami for the past few years with a fellow from Tulsa, OK. He talks funny, and he says the same about me. We had some time to kill while it was a quite windy day this past regatta, and talk got around to Stars.

He told me of Steve, a Tulsa local, who had won a National Championship in Catalina 22s, was an active Snipe sailor, and owns and loves Star #6025. He has introduced hundreds of people in his little slice of paradise to the beauty of sailing in general, and of Star boats in particular over the years.

But Steve was stricken with ALS a few years ago, and is unfortunately not able to sail now. His home Club has an annual charity regatta that has been recently christened as Sailing for Steve, with proceeds going to the ALS Foundation. I thought that the participants in Miami's Star Winter Series (in which I have a recurring role) could do something nice for Steve. So....

John MacCausland provided a Star Class warning flag, Coral Reef Yacht Club provided additional artwork and some sharpies, and the 40-odd skippers and their crews (and Race Committee members!) at the Walker Cup/Midwinters Regatta dinner enthusiastically provided autographs on said flag, labeled Stars for Steve.

There was a longer line to sign the flag than there was for the bar!

While I personally revere those that take home all the marbles in the most competitive one-design keelboat in the world, I am deeply honored to be a member

of this Class. Truly first-class all the way. Honoring the past, leading the future has a very deep meaning.

I'm told that when Steve received the flag, he called his crew and co-owner of #6025 to come over right away, and they all broke out the good scotch for the first time in months. How much better does it get?

The above story represents the great people that are involved in sailing. A small token of caring, signing a flag to be given to someone you might not even know, can mean something so special. You can show you care too.

My appeal for you today is to plan to sail in the Sail for Steve Regatta. Each year when planning this event Steve has always says that he would love to see a hundred boats out there. Please make Steve and Mary's day and support S4S this year BY SAILING YOUR BOAT. Remember, every dime you give goes straight to the ALS Patient Services Outreach. When Steve see lots of boats sailing, he gets super happy!

Thank you for your support,
Danny Ziegler, SFS Committee

TYPROS (Tulsa Young Professionals) Came to WSC

Saturday, July 28th a group of WSC Skippers and Officers of the Club hosted a sailing adventure followed by the WSC Beach Party for TYPROS to see more of WSC. The reports I received appears everyone had a great time.

Skippers waiting in the pavilion for the TYPROS group to arrive were so nervous as the wind seemed to drop as the time grew closer. But then Mother Nature proved the local Meteorologist wrong and a beautiful 12-16 wind with gusts in the low 20's appeared. Some skippers sailed up to and under the [Hwy 64/412 Bridge](#), others north toward Thistle Beach. The TYPROS had such a good time they want to come back again and do an event like last year where we arranged a short race and they supplied a meal afterwards. Keep your eyes open for more info, tentative date is Saturday, Oct. 6th.

Thanks again to IV McNamara, Bob McGinnis, Roger Kerr, Jack Stewart, Jo Ann Chandler, David Hyman, Steve Elliott, Ann Howland, Victor Wandres, Jason Williams, Maurice and Cathy Casad, and Dan Jarrett for volunteering your time and boat for the adventure. And Thanks Drew Ziegler, and those who worked with Drew at the Beach Party making the event come together.

From the Treasurer

Some tips to help the volunteers at Club functions:

If reservations are requested, please reserve early. The reservations system helps the planners purchase appropriate amounts of food and beverages, schedule workers and enables everyone to concentrate on having fun. Don't expect to be served food if you didn't make a reservation.

Bring exact change if possible. The price for parties is known in advance. Having correct change or a check enables the check in crew to concentrate on registration and not on making change. If exact change is not available, **please** no bills larger than \$20. Paying an under \$20 charge with a \$100 bill makes life difficult for the check in crew. Do not ask to be billed, we are not a commercial operation and billing is not an option.

Remember that volunteers at Club functions are giving up their time so that everyone can enjoy the event. Treat them as you would like to be treated.

The fleet captain has created a roster of skippers needing crew and crew needing a boat to sail with. The roster has been publicized to the membership by email and will be added to the website. Interested members participate by email to the fleet captain who will then link skippers with crew.

Discussed possibility of changing one series of racing from Sunday to Saturday next year. We will check if racers are interested.

MC REPORT AUGUST 2018

Congratulations to our Summer Series Winners. Danny Ziegler won a bunch of light air races to take the Gold Fleet win while Jim Stinson took the Summer Silver Fleet title, topping Randy Bell by one point. Jim joins Tim McMahon, who won the Spring Silver Fleet, in moving up to the Gold Fleet. Randy looks like the one to beat in the silver fleet this fall, however Darrell Daniel and Michael Gent have been sailing well recently.

The MC Southwest Regatta at Windycrest is September 29 & 30th. On-line registration is now available at www.mcscow.org. Please sign up early as it helps with the planning of the regatta.

We have had a lot of light air sailing lately, but maybe this August will be good practicing. Watch your e-mails or texts for impromptu sail days.

See ya on the water, Danny Ziegler
