7/1 Board of Governors Meeting

7/13 Cheeseburger in Paradise

7/8-12 Junior Training Camp

9/7 Sail for Steve

## Sailing for All WSC Members

The WSC calendar has set Saturday, September 7, for our WSC Charity Regatta known as 'Sail for Steve'. Longtime member Steve Snider was diagnosed in April of 2013 with ALS. It was determined to turn our charity emphasis to support the local northeastern Oklahoma charity, ALS Out Patient Services (APSO), with the monies we raise from donations at our yearly charity regatta. The regatta welcomes all and is set up to bring out the whole Windycrest Sailing Club. We want everyone to be part of the regatta.

Again this year we will have Paul Foerster as our guest. He is a three time Olympic sailing champion, who donates his time to our regatta. He will be available for a raffle to sail on your boat and also for an informational chalk talk. Remember that junior sailors from sailing camp are also included in the raffle and can win some sail time with Paul. Our biggest money raiser for the regatta is from our WSC sailors who donate graciously to support APSO.

This is our seventh year to support APSO and we want to have 50 plus boats which will be the most ever!!! Remember the bigger the boat count the better Steve deals with his ALS. So make his day.

Mary and Steve Snider

## From the Treasurer

### Boat Identification

Boat Registration. Just a reminder that boat registrations expire on June 30. There is no penalty for renewals by July 31. Since you are not notified of expiration unless you make a positive election with the Oklahoma Tax Commission, check that you are up to date and have a current registration sticker on your boat. It is very helpful to us and the Lake Patrol if we need to locate you.

Boat trailer identification. Please make sure your legible name is on your trailer tongue. Having your name on the trailer enables us to easily identify boat owners in case we need to contact you regarding your boat.

### Some tips to help the volunteers at Club functions

If reservations are requested, please reserve early. The reservations system helps the planners purchase appropriate amounts of food and beverages, schedule workers and enables everyone to concentrate on having fun. Don't expect to be served food if you didn't make a reservation.

Bring exact change if possible. The price for events is known in advance. Having correct change or a check enables the check in crew to concentrate on registration and not on making change. If exact change is not available, **please** no bills larger than \$20. Paying an under \$20 charge with a \$100 bill makes life difficult for the check in crew. Do not ask to be billed, we are not a commercial operation and billing is not an option.

Remember that volunteers at Club functions are giving up their time so that everyone can enjoy the event. Treat them as you would like to be treated.

### Part B Dues

Invoices for Part B dues have been issued and are due on or before July 1<sup>st</sup>. Work credits must be completed prior to July 1<sup>st</sup> for credit this year. Please contact the Vice Commodore if you have any questions.

## MC SCOW MAY/JUNE REPORT

Flood? Been there, done that. Only wish we had a gangplank to the tie up dock. On the serious side, I hope everyone made it through all the recent rains and storms unscathed.

The MC's were able to get six races in for the spring series. Congratulations to Harvey Baker for winning the series. Second through fifth places were Stephen Gent, Randy Bell, Dan Jarrett, and Roger Adams. We had a total of 12 boats participating over the six races, with 7 boats racing in 4 or more races. It was sweet to see races won Roger Adams and Randy Bell. Believe me, it is tough to win these races, and they sailed very well. For Randy, it was his first win ever in a MC Series race. Be sure to get him a pat on the back and a dollar next time you see him.

We had four MC's travel to Rush Creek YC to sail in the Spring Dinghyfest. Danny Ziegler, Stephen Gent, Michael Gent and Tim McMahon all went down and enjoyed some Texas hospitality. Nice weather too. Danny and Randy also went to Lake Lotawana to sail in the Orlando Webb Regatta in early June. It is important to travel to these away regattas. Not only does it make you a better sailor, sailors are much more apt to reciprocate by coming to our fall regatta. Thanks for attending out of town regattas Windycrest sailors.

Hopefully the water will soon go down and we can get back to the business of being a sailing club. Keep calm and sail on. (photo above, racing on 5/5/19)

Call Meeting to order: Skeeter Chilton (Commodore), Jason Williams (Vice Commodore), Robbie Corcoran – absent (Rear Commodore), David Hyman – (Fleet Captain), Maurice Casad (Secretary), Tom Proctor (Treasurer), Mark Hoagland – (Activities Chairman), Christian Supernaw – (Facilities Manager), Drew Ziegler (Past Commodore)

Guests Present: Jo Anne Chandler, member.

New Member Request – No new member requests were received.

### Old Business:

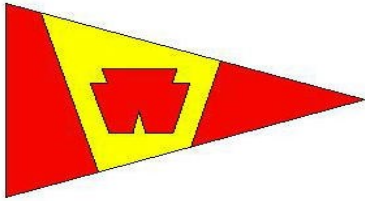

The proposed revision to the price per day for boat storage will be addressed at the next board meeting, to meet the 20-day minimum notification requirement in the club bylaws Article XIII, Sec. 14 before making any fee changes.

Tom Proctor presented an analysis of the fee proposal, comparing the proposed storage rates with the current cost of late membership renewals.

The proposed new day rates for forfeited members are as follows –

Slip Fee B, C, D docks	\$3.00 per day
Slip Fee A docks	\$3.00 per day
Travel Trailer Site	\$3.00 per day
Mooring or Keelboat Dry Lot	\$2.00 per day
CB on trailer or Board Boat dock	\$1.00 per day
CB w/o trailer or Empty Trailer lot	\$1.00 per day

These proposed new day rates would be retroactive for all of 2019 if approved

**WSC Board Minutes

Cont'd**

**Treasurer Report:**

Tom Proctor reviewed the financial statement for the month.

The publishing of the directories was the largest expense last month at \$2,800.

The maintenance budget is still in good shape since the new facility manager Christian Supernaw is just now starting to work full time.

Once the lake water level has receded and an assessment of the flood damage can be determined, WSC may consider an insurance claim if the damage is significant.

There will be expenses incurred during the flooding to help secure the docks, add structure and anchors to prevent further damage due to high water. Some of the structures erected will be repurposed for moorings once the lake level is back to normal.

F dock broke loose and had to have additional anchors added.

Several boats were loosed from their moorings, and two boats from the club have sunk and others have taken on water.

OK registration numbers need to be on every boat at WSC. This is a legal requirement for operating a watercraft on state waters, and also to help identify boats when problems occur.

**Activities Captains Report:**

The annual Cheeseburgers in Paradise party was discussed. Due to the high waters, it was decided to postpone the Cheeseburgers in Paradise party until July 13<sup>th</sup>.

**Secretary Report:**

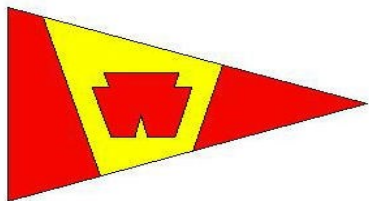

No report this month.

**Fleet Captain Report:**

The races have been canceled due to the high water and unsafe conditions. Racing for center boards will be planned for June 9<sup>th</sup>. Keelboat racing will be canceled until further notice, since it is difficult to have access to the docks and there is still debris in the lake.

Centerboard racing may continue for several weekends until it is safe and feasible for the keelboats to start racing again.

**WSC Board Minutes**  
**June 3, 2019**  
**Cont'd**

**Vice Commodore Report:**

Work Day make up work is being scheduled individually as members make a request to do work. Some of the makeup projects have included campground cleanup and maintenance, rebuilding picnic benches, stacking firewood and tree trimming. Once the water recedes, work to reinstall furniture and fixtures may be counted but the work must consist of 6 hours or equivalent and must be completed by July 1st.

**Facility Manager:**

Christian Supernaw is the new Facility Manager and he will be starting to work full time. Jack Stewart has been a big help to Christian to help him learn about what the job entails, and the peculiarities of sailors and WSC. He has been very busy with the high water issues.

**Rear Commodore:**

No report.

**Past Commodore:**

No report.

**Commodore:**

No further report.

The meeting was adjourned at 7:32 pm. The next meeting will be on July 1<sup>st</sup> at the Case Community Center at 6:30 pm.

Respectfully yours,  
Maurice Casad  
Windycrest Secretary

## WSC Classifieds

**4000 pound Hydro hoist with a dry keel tub. The keel tub allows the keel to stay dry when the boat is sitting on the Hydro .The hoist is selling for \$1300.**

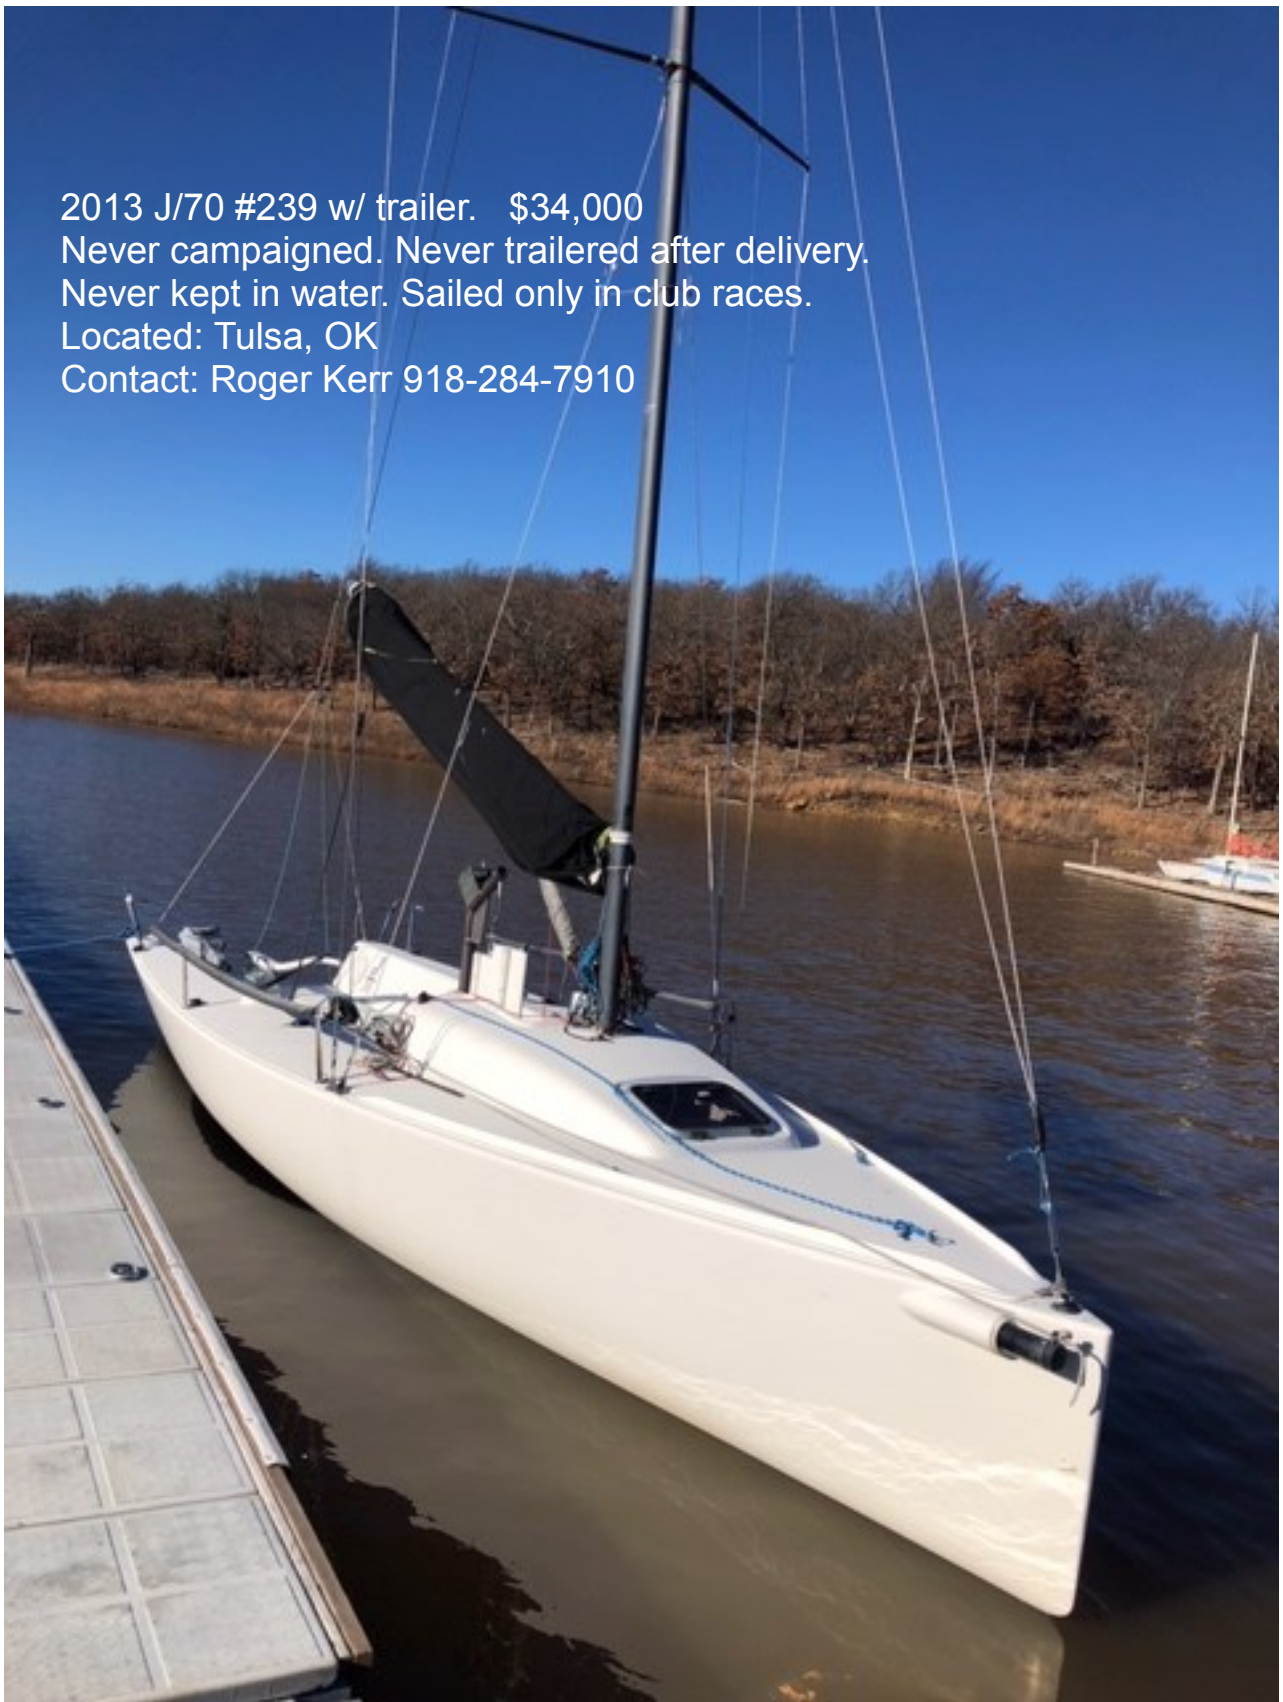

**6000 pound Hydro hoist for sale. This hoist is selling for \$1800. Both hoists are at Windycrest Sailing Club**

**Call or text Bob at 918-629-930**
